Only two allotments left!

After a strong recent run there are only two allotments in final release of the Narani Way allotments.

Lot 26 - \$460,000 - 1118 sqm

Lot 27 - \$485,000 - 1053 sqm

The amenity of Narani Way is very welcoming with its established native eucalypts and sheltered east sloping access making the most of the morning sun. Mains services are all underground.

Access to the beautiful beaches of both Fairhaven and Aireys Inlet are a short distance away. With newly constructed pathways connecting Fairhaven and Aireys Inlet, a flat stroll across the river to shops and cafes from the bottom of Narani Way is an accessible reality.
