12 Surf Avenue, Skenes Creek

This five bedroom beach house at Skenes Creek was built by a large family who have holidayed on the coast for years and know the key design elements for a relaxed fun holiday for all the gang.

Spread over two levels the main living area is upstairs with a huge outdoor deck to enjoy the outdoors and ocean views. The kitchen is the central hub of the home with adjoining lounge and dining area. A full wall of glass windows captures the sea views and saturates the room with natural light.

Four bedrooms are situated upstairs, two feature as bunk rooms with 6 built-in bunk beds in each to accommodate the hordes. This house can comfortably sleep up to 18 people! A bathroom and separate toilet are also on this level.
