Beautiful outlook and close to everything

There are many reasons to consider this great and convenient location, being easy walking distance to the Inlet beach, cafes and shops, being positioned directly opposite large open park that includes a skate park and playground as well as a lighthouse and river view.

This is the largest apartment in the development and is being sold fully furnished. The open plan unit features a large living area opening onto a sundeck, 2 bedrooms, modern kitchen design, under cover parking and access to a central common courtyard with BBQ facilities.

A great lock up and leave coastal opportunity.
