68 Costin Street

The views from this property are superb. The elevated position allows you to look above and beyond the township to the harbour, ocean and hills to Cape Patton. The quality of build is a credit to the owner builder who lovingly built this for his family retreat. Care, attention and thought has been taken into account with design, fittings and liveability of this gorgeous home. The living area is vast, light and modern, sharing space with the open plan kitchen complete with quality granite benchtops, Blanco appliances and a clever Alfresco tiled outdoor area, perfect for BBQs and summer dinner parties. Three bedrooms with built in robes, share a European style bathroom, with deep bath and double shower on the lower floor. Upstairs is a powder room with separate toilet for guests. A generous entry, a wide sweeping staircase, hardwood floors, quality carpets, an outdoor shower, rainwater tanks all add to the many features that make this house stand out from the crown.
