Marvellous Moggs

Offers required by 4 November 2016

Moggs Creek is a beautiful hamlet that is tightly held because it is quiet and little known. Well, until recently, when it's most famous son moved home and then won the Brownlow medal. Here is your opportunity to claim your piece of marvellous Moggs Creek with this beautifully presented, contemporary residence. Built by well regarded Pivot Homes in 2008, and set on a north facing 700 sqm (app) native allotment, the residence has been very well maintained and by the nature of its construction, very low maintenance. Internally the finishes are modern and the floor plan is very user friendly, maximising the opportunity for indoor/outdoor coastal living. Features include three bedrooms, two bathrooms (ensuite off main), wood heater, air conditioning and well appointed kitchen. The position is very close to the Great Otway National Park and a comfortable flat stroll to the beach. An excellent opportunity to purchase in this picturesque, newly famous and tightly held area.
