Often Sought, Seldom Found

This land presents a unique opportunity for a potential purchaser to create and build their dream home in the heart of Forrest. With a frontage of approx 40 metres and total area of 1965 sqm (half an acre approximately) this flat, partly treed and fully fenced site (secure for pets) is located on a sealed road in the beautiful township of Forrest. Within close proximity to national parks, stunning walks, mountain bike trails and local gourmet produce. With growing demand and a lack of offerings of this nature we expect that this won't last long!
