A walk to everything...Vacant allotment.....Prime position

Opportunities like this rarely present themselves, particularly in a sought after Anglesea central location. This generous site of 463sqm (app) offers an elevated treed position with the potential for bush views.

This vacant allotment surrounded by natural beauty and perfectly tucked away amongst the trees, is all within easy access to the Anglesea River at the end of the street and walking distance to the town, restaurants, cafes and the main beach.

The position and lot size allows flexibility for any future design (stca).

A stunning well priced allotment.
