### Affordable Holiday Investment

This brilliant beach side home is the ultimate seaside weekender or permanent address set on a quiet no through road within easy strolling distance of the Skenes Creek beach. Designed with low maintenance living in mind, the three bedroom home is set over 2 levels. The use of timber for the staircase and flooring adds an air of warmth and charm to the relaxed, slip-off-your-shoes holiday atmosphere. When you walk inside you are greeted by a downstairs rumpus room with access to the rear courtyard, two bedrooms, one with built in robes and a central bathroom with laundry facilities. The upper level is finished with timber flooring and features ocean views from the decking which is accessed from the main living area. The kitchen is simple yet functional with room for a dining table. There is a master bedroom with ensuite and built in robe to complete the picture.
