Exclusive Acreage in Aireys

When sophisticated simplicity meets contemporary design in a tranquil nature filled location, this is the stunning result. Carefully constructed to blend with the landscape, this newly built architecturally designed home nestles perfectly into the 11-acre (approx) property of lush pastoral land that was formerly a dairy farm. A highlight is the open plan living zone which boasts floor to ceiling glazing and takes maximum advantage of both the northerly aspect and extensive rural views. A magnificent locally sourced stone fire place is just one of the many features. It connects seamlessly to sheltered outdoor decked entertaining areas and there is a natural flow between indoors and out. A flexible floor plan allows for three spacious bedrooms including a master with ensuite; plus, a fourth bedroom, study or second living area. The property is an outstanding example of fine craftsmanship.
