Inlet beach apartment with a view

This contemporary, architect designed, 2 bedroom apartment boasts a stunning view across the river and to the river valley beyond. Set overlooking the river at Aireys Inlet and enjoying a sunny northerly aspect, this development will impress with both its design and convenient location. The apartment is being sold fully furnished and features polished floor boards in the living area, sleek, modern kitchen design, under cover parking and north facing sundeck, making it ideal for holiday rental. There are many reasons to consider this great location, being easy walking distance to the inlet beach and famous Split Point Lighthouse, directly opposite the skate park and playground and a stunning river view. A beach lifestyle awaits and offers freedom from the rigours of high property maintenance and repetitive lawn mowing, which so often accompany large holiday houses. Inspection is by appointment only.
