Contemporary flair for modern living

Freshly infused with contemporary flair and reconfigured for modern living this Anglesea beach home is totally renovated and ready to go. The stunning views over golf course, bush and hinterland will have you captivated and finding excuses to linger longer and enjoy north facing indoor and outdoor living. The generous kitchen, meals and living zone have created space for a happy family hub that is bright, and light filled. The desire for easy entertaining and lifestyle flow has inspired the floor plan to deliver handy access to the sheltered private rear garden and grassed back yard or large sunny front deck.

Two of the three bedrooms share the outstanding views, and all have plentiful built in storage and robes. The central family sized bathroom boasts a spa bath and double shower. A fourth bedroom is a multi-purpose space used as either a second living, study or guest accommodation.
