Mud Brick Cottage

This absolutely gorgeous hand crafted mud brick home offers a beautiful warm rustic ambience.

Mixing the best of coast and country lifestyles, this North West facing home is set on a private acre of land backing onto neighbouring farmland and only a 5 minutes walk (600m) to the beach.

Embracing sustainability and creativity, the house boasts an eclectic mix of local timbers and quality upcycled building materials, including an antique Blackwood staircase, Tasmanian Oak floorboards, Baltic pine ceiling, stained glass windows and Welsh slate. The interior features beautiful high exposed beams with Mortise and Tenon joins, giving this property its unique identity.
