59 Costin Street

Solid, sturdy and bright, this spacious North facing three bedroom brick home is low in maintenance and set in a beautiful private garden with a fantastic outdoor alfresco area.

The floor plan benefits from an open plan living, dining and kitchen area with wood fire and ducted reverse cycle heating/cooling. Large windows overlook the garden with easy access to the outdoor entertaining area; an established grape vine offers shade and creates a gorgeous setting.

Three generous sized bedrooms are located at the rear of the home with the bathroom and separate laundry. A lockable garage, plenty of internal storage, solar hot water system and numerous fruit trees are all added extras.
