Coastal Retreat

This property is a classic coastal getaway with loads of room for all the family and friends to stay. The two storey home is casual and easy in style, allowing for care free days at the beach and memorable BBQs on the deck in summer. Why fuss about housework when there is so much exploring to be done in your own surrounds? The large 1400 sqm (approx.) block offers space from your neighbours and plenty of room for kids and pets to play. Only 300 metres (approx.) to the beach, and a short walk into the township of Apollo Bay, the quiet hamlet of Marengo offers peace from the crowds. Surrounded by fruits trees, coastal natives and prolific birdlife this property is oozing potential.
