28 Ocean Park Drive, Marengo

One acre allotment with dual street access and sensational mountain views, this block is a blank canvas to build a dream home.

This realistically priced 4000sqm vacant block is located at Heathfield Estate between Apollo Bay and Marengo.

On a very slight northerly grade a cleverly designed home will benefit greatly from the northerly aspect, the big mountain views and the outlook to the sea and Point Bunbury.

Only a few hundred meters to the beach and a short walk to Marengo Nature Reserve Park where locals walk their dogs and meander through the protected bushland.
