Superb amount of space with views

This Anglesea beach house encapsulates all that is special about living in a coastal environment. Currently set on a spacious 944sqm (app) allotment this beach house feels like a natural oasis with its native landscape and treed outlook providing a great sense of privacy and space. Offering tree top views, water glimpses to Point Addis and an abundance of natural light this home has been newly upgraded while respecting its beach house roots and 60s architectural heritage. The large allotment is a rare commodity and allows new owners plenty of scope to increase the existing properties foot print to create a dream retreat or coastal residence.

This charming three bedroom property is set perfectly amongst the trees with its elevated outlook and framed by glass to capture the aspect. Upstairs you are welcomed by the open and flowing floor plan of the kitchen/living and dining. The expansive timber deck offers a sunny treed outlook ideal for entertaining or just relaxing. The residence provides flexible accommodation with two bedrooms on the upper level and a

contemporary space on the lower
