Six bedrooms and direct beach access

This substantial 6 bedroom residence is so close to Fairhaven beach that you will be able to lie in bed at night listening to the rumble of waves hitting the sand. In fact if you want to watch the waves, the access to the beach is right next to the property. The residence can cater for large family groups and the design is light, bright and practical in a relaxed coastal style. The very large open plan living area opens onto a north facing sun deck and there is a second living/rumpus area downstairs. The property has been a successful holiday rental property due to both it's size and proximity to the beach. Set on a 591 sqm (app) allotment this dwelling has many desirable qualities that beach house buyers look for and is a great opportunity in the tightly held Lialeeta Road precinct.
