Beach house with views

Nestled amongst the trees this beach house captures beautiful ocean views of the coast. Watch the ever changing panorama unfold from this elevated position in a quiet area of Anglesea with more Kangaroos on the street than cars. Only a short stroll to the Golf Course across the road and backing on to a reserve its easy walking distance to the river, shopping and dining.

Upstairs you will find an abundance of natural light and a welcoming spacious open and flowing floor plan with the kitchen/living and dining area framed by glass to capture ocean and bush views. This beach house boasts two large bedrooms upstairs with easy access to the main living area and central bathroom.

Downstairs is a further large bedroom, a second large self contained living area with its own bathroom and laundry. This is ideal for providing flexible accommodation for family and friends who want their own space.
