Stunning residence close to Sunnymeade Beach.

Enjoying an excellent position and set on a substantial 927sqm allotment, this beautiful three bedroom residence is special in many ways. The style of the residence and the immaculate presentation is immensely appealing. Accommodation is in three double bedrooms serviced by two bathrooms. The standard of construction is very high both in the standard and its thermal, 6 star energy rating. The residence was built to be very low maintenance and to take full advantage of its northern aspect. The polished Tasmanian Oak timber floors are a highlight of the property and match the high standard of fittings throughout. The stunning layout is essentially two wings joined by a beautiful atrium like hallway, capturing the bush setting. Other features include a large north facing sun deck, double glazed windows throughout and double carport. Being single level the residence is suitable for all ages and is particularly ideal for those planning to spend substantial time on the coast in the future. Inspection will not disappoint.
