'Sandefjord'

Offers required by 31st October 2016

There is significant value on offer with this property, with a double storey 4BR beach house being offered for sale with a separate fully self-contained 2BR cottage.

Both residences are set on a substantial 5556sqm (1.4 acres app) allotment that resembles a large parkland. The location is excellent, being short walking distance to shops, beach and tennis courts, but still with plenty of room to move that a small acreage offers. Both the residence and cottage are presented in excellent order with both receiving significant upgrades under the current owner.
