Elevated, Spacious with Ocean Views

OFFERS REQUIRED BY 3 APRIL 2018

Elevated and expansive, this property feels private and is peacefully tucked away from the crowds yet only minutes to Pt Roadknight beach and the best of Anglesea.

Spread over two spacious levels, the layout offers flexibility and room to entertain and accommodate friends and family with the convenience and privacy of a separate home office or gym space. Architectural angles, vaulted ceilings and copious glazing add drama and light.

Harnessing the views and sun, the upstairs open plan living area and deck are hard to leave. Watch the waves breaking beyond the tree-tops and take your time deciding when to wander down to the beach.

Second storey highlights include a light and bright family, kitchen and dining area and a spacious master bedroom with ensuite and walk in robe.
