Your own private bush haven!

Immerse yourself into the wilderness with this 65 acre bush block 12 minutes from Apollo Bay. Over looking one of the most pristine valleys, this block lends itself to nature lovers alike. Filled with tree ferns, black woods, eucalyptus and an array of native flora and fauna. With a frontage of 234m, the original track is overgrown with lush bush but remnants of the track can still be seen through the foliage. This block is certainly worthy of an inspection.
