A fasham design that has stood the test of time

This 3 bedroom Fasham beach house design has a great coastal feel and proves that good design will stand the test of time. The light filled open plan living area opens onto a decent sized sundeck and is designed to capture all the morning sun. Although not a large residence the design provides for relaxed coastal living which is really the minimum prerequisite for a beach house. The 565 sqm native allotment includes a gazebo for reading and relaxing and even a firepit to sit around at night, discussing the great day you just had on the beach. Haydn Court only has 5 properties in it and is located in the popular ocean side of the Great Ocean Road precinct. It is getting more difficult to get properties in this price range in Aireys Inlet, and this is one of the best examples we have seen.
