Contemporary Haven

Designed to deliver a feeling of open spaciousness yet with the sense of a serene escape, this property is a shining example of what makes the Sands Estate so special.

Beautifully landscaped gardens draw you in and give a hint of the wow factor that greets you inside. Wide hallways, extra high ceilings, stunning polished concrete floors and a fresh contemporary décor further set the scene. Step into a peaceful parent's retreat (or downsizer's haven) that includes a sitting room and extensive master suite. An additional two generously sized bedrooms are clustered around the family sized bathroom.

The living zone is all about light, space and a connection to the outdoors. Entertaining friends and family does not get easier than this with a well-appointed kitchen, butler's pantry and sensational outdoor flow.
