Hidden in Paradise

Hidden from the street in the heart of "Paradise by the Sea" this three bedroom two level townhouse delivers privacy and convenience combined with the sights and sounds of the ocean. With the beach literally just seven houses from your door, there's two ensuite bathrooms, spa, open plan living/dining/kitchen, sweeping curved ceilings, gas log fire, an undercover lock up garage and loads of storage space.

A generous 350 sqm of land area completes the picture for the good life by the sea. With the master bedroom upstairs and paying guests or visiting family below, it's an ideal layout and a great investment.

This property has been beautifully maintained with nothing to do in way of maintenance or repairs.
