### Get in on the ground floor

This entry level two-bedroom Apollo Bay beauty is hard to beat. Setback from the road on a quiet street it's also just 300 metres to the beach and shops! The house is free standing on 450 sqm of land with undercover parking, two good sized bedrooms, open plan

kitchen/living/dining, separate bathroom and a front verandah. There's also plenty of room for a boat, caravan and trailer.

It's currently tenanted on a monthly tenancy so you can take your time while you consider your options if you wish.

This is a lot of bang for your property buck. You just don't see the opportunity to own such a central piece of paradise everyday.
