Coastal Perfection Inside and Out

Renovated, spacious and ready to go, this four-bedroom home is a multi faceted opportunity to enjoy the good life. With a generous layout over two levels, there is more than enough room for all the family to make the most of the handy location. The river, beach, cafes and shops are all within walking distance and outdoor adventure seekers will love having trails, tracks and surf on the doorstep.

The total refurbishment has elevated this property to next level living while retaining a connection to the original beach home vibe. The décor is relaxed and contemporary and the remodeled kitchen and bathrooms will impress.

A feature of the home is its effortless connection to the garden from each of the two separate living zones. Out here, you will find sheltered, sunny, or shaded nooks, depending on your needs. Fruit trees, herb and veggie plots, sunny lawns, established landscaping, fire pit and sauna will all help to instantly make you feel at home.
