Central, close and affordable

Facing Murray Street, 150 metres from the beach and close to the shops, this single level two-bedroom unit really is in an enviable location. It has a private 6m x 6m courtyard at the rear, a single lock up garage, two bedrooms with built in robes, bathroom, a separate toilet, spacious laundry and direct access from the house to the garage. Adjacent to and accessed from the garage is a sizable storage area.

A brand new spit system air conditioner has recently been installed, along with a new hot water system and new carpet throughout. The kitchen is also brand new.

The last one we sold in this block was gone in a week. This one is much better.
