Views, privacy + immediate beach access

THIS PROPERTY CAN BE VIEWED BY PRIVATE OR FACETIME APPOINTMENT

It is a very rare combination of features that makes this substantial property stand out from the normal offerings. The property enjoys a stunning east facing aspect that takes in all the amazing features that this wonderful part of the world offers. With the Aireys Inlet lighthouse in the middle of the outlook and with breaking surf on one side and the Aireys river on the other, it is a view that is beautiful, ever changing and totally secure.

A special feature of this property is that it is private yet it is literally only metres to the much loved Fairhaven beach. This is extremely rare and a practical feature that will always be appreciated, especially in the busy summer period.
