Solid investment, solid view

This two bedroom, solid brick cottage is across the road from Marengo Beach.

Set on four hectares of beautifully landscaped surrounds in one of Apollo Bay's most desirable locations overlooking the ocean, this property has beautiful views of nature at every turn.

A rare offering to secure the best one, on the north end of eight traditional style solid brick cottages, with its own title under an owner's corporation arrangement.

This dwelling is separated from the others by native shrubs and gardens, and overlooks a stunning ornamental lake, with vegetative screening to the north and west, and views of the coast and the Otway ranges.

Features include brick open fireplace providing ambiance and warmth in the cooler months. Bedrooms with robes, main bathroom with corner spa, full laundry, timber kitchen with dishwasher, heating and air-conditioning and parking for 2 cars or a car and a boat.
