Walking distance to all your needs!

Vacant land in Aireys Inlet is in short supply as Aireys Inlet only has 1192 properties in total, of which most are now built on. The 460sqm (app) allotment has plans for a contemporary two storey dwelling approved, although you have the option to design your own residence and start the planning process again. The property is centrally located and walking distance to all your needs which include shops, cafes, beaches and the nearby river. A great measure of a coastal property is being able to park the car and walk to everywhere and any future dwelling will certainly provide this. Whether you are buying to secure your position for the future or wanting to get going immediately, the option is yours. Would be ideal for a future retirement or lifestyle property that has minimal to look after but close to all your needs.
