Contemporary Beach Home

This is relaxed coastal living with all the features you would expect in a contemporary beach home. Think bright and light filled open plan living with effortless connection to north facing outdoor entertaining; and a feature packed kitchen designed for enhancing daily life and for making hosting family and friends a breeze. There are three generous bedrooms that all enjoy a peaceful leafy outlook, and the master suite includes an en-suite and walk in robe.

This home lends itself to long summer days spent relaxing on the sunny deck after a day at the nearby beach. It is also equally suitable as a winter escape with an open fire and cosy hydronic heating throughout. The fresh neutral decor is complemented by the warm hues of the polished timber flooring and the overall feel exudes an inviting, laid back yet stylish vibe.
