

605 Barham River Road **Apollo Bay, VIC**

Rain forest gem

With its stunning rainforest setting, this 3 bedroom home is set in this beautifully established garden.

Set on 10 acres approx. with about one acre cleared around the home, in the highly sought after Barham River Valley.

Despite the homes seclusion along one of Apollo Bay's most picturesque roads, the property resides within a short 5-minute drive to the town of Apollo Bay and only moments from the popular "Paradise picnic area" which is surrounded by ancient tree ferns, the pristine Barham River and an abundance of native birdlife including king parrots, superb blue wrens and kookaburras.

This property comes with its own stunning gully with ancient eucalypts, ferns and a population of glow worms, perfectly positioned in a pristine, tranquil and private location.
