

## 9 Alastair Court **Apollo Bay, VIC**

## Scarce, quality block

Good blocks of land in Apollo Bay have become very scarce. This elevated block in a desirable cul-de-sac is an exception. At 614 sqm with all underground services available, with good design a

home built here would afford good ocean views. The rear of the block facing north is a big plus and the beach is only 100s of metres away. With a 16 metre frontage this property is set among other great quality homes.
