A rare opportunity in highly desirable Anglesea

This is an extremely rare opportunity to snap up a large block in a highly desirable and peaceful Anglesea location. On offer for the first time in over 30 years, this is 668m² (approx.) of dream home possibility that promises a tree filled outlook from an elevated and sunny position. The picturesque and naturally native setting feels like a private haven and attracts an abundance of wildlife.

Located in a quiet street in an established and friendly neighborhood, it is a short walk to nature filled walking tracks, golf course, Coogoorah Park and river. World-class ocean beaches, mountain biking and coastal walkways are within easy reach too, as are shops, cafes, and the surf club.

Fulfil your grand design desires without compromise and embrace a contemporary coastal inspired life.
