Country life close to coast and city

A delightful home set on 1/2 an acre (approx.) close to coast and city, this is someone's dream come true.

The graciously generous hallway welcomes you and draws you in to the light filled open plan living zone. Here you will find a versatile and spacious area that includes an almost new kitchen. A recent update has added an induction hob, large walk in pantry and upcycled timber accents that add historical character and charm. A second living area offers a cosy quiet space that is sun filled and the perfect spot to unwind while enjoying the picturesque garden views.

There are three generous bedrooms, the master includes a large walk through robe and en-suite with a bespoke solid timber vanity. The family bathroom boasts contemporary styling and is less than a year old.
