Welcome home to coastal living

This spacious family home is located in a quiet and leafy enclave close to the heart of Anglesea.

It features generous living with two separate zones to enjoy. Choose from the open plan living, dining and kitchen or the cosy lounge area, which is an ideal parent's retreat. Expect to find a well-planned kitchen offering plentiful storage (including a walk-in pantry), gas cooking and a breakfast bar. The king sized master suite is light filled and includes a walk-in robe and en-suite. The two additional bedrooms, with built in robes, share a family sized bathroom and are adjacent to a home office with great storage. The freshly repainted interior features a crisp white decor combined with the warmth of timber flooring.

There is sheltered outdoor entertaining on the rear deck overlooking the sunny garden and fire pit. The fully fenced 614sqm (approx) grounds feature easy care landscaping with established trees providing shade and privacy. Other highlights include a handy garden shed and a garage with roller door access to the rear with room to store surfboards and other

beach toys.
