Hinterland Wonderland

This once humble split-level beach house has been transformed into a stunning coastal property where easy living and effortless all year-round entertaining are the priority.

Blending a crisp modern aesthetic with natural tones and timber elements has produced a unique and character filled home. It features light filled open plan living on the uppermost level. Highlights here include a well-appointed kitchen featuring timber bench tops; a relaxed reading room or study; a freestanding wood fire to keep things cosy plus enviable flow to outdoor entertaining. The adjacent master bedroom includes an en-suite with a spa bath.

Downstairs, on the middle level, there are three bedrooms with built in robes; a central bathroom plus a large laundry. On the ground floor a second living area accommodates extended family or guests with its stylish polished concrete floors, two bedrooms and bathroom.
