## 1/9 Saltwater Place **Anglesea, VIC**

## **Contemporary Coastal Style**

This custom designed stylish home is perfectly positioned in a tranquil enclave ocean side of the Great Ocean Road.

Superbly configured to maximise flow, light, and liveability, it features spacious open plan living. Here you will find extensive glazing to harness the northerly aspect and to provide effortless access to outdoor living. A galley style kitchen featuring a steam assist oven with generous storage and workspace creates the central hub of the home and cleverly separates two living zones.

Upstairs soaring ceilings with compelling architectural lines add volume and interest. The third living zone is ideal as a home office if required. There are three spacious bedrooms (all with built-in robes). The master includes an en-suite with floor to ceiling tiles. A second bathroom, with double vanities, is also on this level.
