modern, light and bright in a great location!

Located in old Torquay, this exciting new home offers generous proportions and a distinctive, ultra-modern appearance. Cleverly planned for luxurious, low maintenance living by locals, built by JSB and Section Studio, it boasts 4 bedrooms (incl. downstairs master), dual living and a private north-facing alfresco.

Sophisticated, modern and undeniably chic, the crisp white interiors and burnished concrete flooring are complemented by the warmth of timber and a Besser block feature wall that enhances the entry and projects beyond the entrance door. The indoor-outdoor connection is palpable, thanks to raked ceilings, extensive glazing and clerestory windows that draw the sky views and greenery in. Full span stacker doors lead to Silvertop Ash timber decking – a private entertaining zone surrounded by easy-care landscaping.
