Massive uninterrupted sea views!

Walk in and enjoy! There is nothing left to do in this idyllic modern seaside home. The property is hedged by low maintenance plants that give privacy and seclusion. At the front there is entry to the remote controlled double garage, and another car parking space near the front door. Entry is made to a tiled hall with 3 double bedrooms leading off to either side, each with built in robes, carpeted floors, electric panel heating and blinds. The master bedroom has an additional ensuite with double vanity. The main bathroom follows with a bath, shower, vanity and separate toilet, with access to the side deck, and laundry and internal access to the garage. The living area at the end of the hall has the 'wow factor' with expansive sea views framed by the floor to ceiling windows and sliding doors out to the huge entertaining deck. The lounge, kitchen and dining areas all face the big sea views with tiled floors, downlighting and reverse cycle air-conditioning. The kitchen has plenty of cupboard space, caesarstone benches, Fisher and Paykel dishwasher, and Concept electric hotplates and oven.
