Rare vacant allotment in oceanside precinct

Set in the heart of the very popular oceanside precinct of Aireys Inlet, this picturesque 805sqm (app) corner vacant allotment is an excellent opportunity to secure your place in this beautiful town. The allotment is fully fenced and has water connected while mains sewer and mains power are available. Buying land allows you to stagger your investment, by buying the land and building when the time suits. It also allows you to build what you want, and the corner allotment allows flexibility when designing your new home. The allotment is very close to the very popular Gully and Sunnymead beaches and has immediate access to the cliff top walks that make Aireys Inlet so special. Aireys Inlet only has a total of 1200 properties and with the ocean on one side and landlocked by the Great Otway National Park on the other, there is no room for expansion, and this underwrites your investment. We can refer you to builders to help you with your design and costing. A great opportunity in a picturesque, tightly held precinct.
